## MINNAMURRA & CARRINGTON FALLS ONE DAY ROAD TRIP

Head south past the AIRPORT following signs to WOOLONGONG on PRINCES HIGHWAY. Turn off at ALBION PARK just south of WOOLONGONG. Take left turn onto TERRY STREET which soon becomes JAMBEROO ROAD. Just before JAMBAROO is a right turn onto JAMBEROO MOUNTAIN ROAD and another right onto MINNAMURRA FALLS ROAD.

### MINNAMURRA FALLS

Drive up to the RAINFOREST CENTRE, park up and take track up through rainforest across rope bridges to MINNAMURRA FALLS.

### CARRINGTON FALLS

Drive back down to JAMBEROO MOUNTAIN ROAD turn right and follow up through JAMBAROO PASS. You will be taking a left turn onto CLOONTY ROAD where you will find CARRINGTON FALLS. You will find your self at the top of the falls so little walking is involved how ever you can fall to a nasty death so be careful.

### JAMBAROO

Drive back down to JAMBAROO VILLAGE where there is a famous pub with great food and drink.

### KIAMA BLOWHOLE

Drive down JAMBAROO ROAD all the way to KIAMA. On the headland is a blowhole. When the waves are big the water shoots through the hole in the cave and high into the air. Nothing like this anywhere in NSW so check it out.

Get back on the PRINCES HIGHWAY heading north to SYDNEY. Jump of the PRINCES HIGHWAY at MEMORIAL DRIVE and head north to STANWELL TOPS (great views) and enter the ROYAL NATIONAL PARK. It's a nice drive through or you could stop at GARIE BEACH or WATTAMOLLA BEACH for a swim.

Drive back to SYDNEY and BONDI BEACH.
